| Item | Discussion | Decision/Action |
|--------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------|
| Call to order | Meeting was called to order at 2:30pm by Elizabeth Morrow. Members participated via Microsoft Teams and in person at Baseball Stadium Conference Room. | |
| Old Business | | |
| Safety Committee <i>March Meeting Minutes</i> | Document approved by the committee. | Ms. Esparragoza will upload documents in Digital Commons portal. |
| School of Science <i>Disposal of hazardous waste</i> | Mr. Moore provided an update. Vendor should be coming on the 18 th . Later that week hazardous waste will be disposed of. | - |
| Drama Department <i>Scissor Lift purchase</i> | Mr. Moore provided update – executive approval, onsite mid-June, is available | - |
| Division of Student Success <i>Sean Creech, Disability Resources</i> | The update from Hazard Analysis Subcommittee is as follows: Student Success Center – UPD conducted walkthrough of basement, ground, and 2 nd floor, meeting with individual departments about location, and exits. Send the document to UPD for approval | - |
| JSU all campuses <i>ADA compliance</i> <i>State Regulations</i> <i>Safety Standards</i> <i>AEDs - New purchase</i> | Updates from Hazard Analysis Subcommittee are as follow: <u>Stone Center</u> – west side accessible but not marked. <u>International House</u> – ramp on south 8-inch step not accessible, the slope may be too steep, accessible spots do not have signage. <u>Martin Hall</u> – outside at crosswalks side road to library, indent 6-8 inches deep, the tactile pad is destroyed at Hwy 21. <u>Merrill Hall</u> – location of parking spots not close, 50 yards too far, cost to stripe so may get contractors to pay, curb cut angled towards street. <u>Brewer Hall</u> – the condition of the sidewalk is a safety hazard, reach out to DOT, no signage, few taped over. | Subcommittee will provide update on future actions when available. |
| Campus Incident <i>Crosswalk pedestrian</i> | No new updates from Mr. Moore. | - |
| Campus Near-fatal accident <i>Baseball Stadium</i> | Mr. Moore provided update – Circuit breaker was not de-energized. Hit by 277 volts. Should have been protected but touched sprinkler. | - |
| New Business | | |

Safety Committee

| | | |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|
| Ayers Hall Room 159 | Windows does not close due to tornado damage. | Ms. Esparragoza will submit work order. |
| Fieldhouse | Recent abatement at Fieldhouse. Missed quite a few light fixtures. Asbestos – fire door left in place, light bulbs dangling (violation?), training may disturb asbestos. | Dusty will check to see if they can make the Fieldhouse safe for training. Need to remove doors and light bulbs. |
| Other | UPD working on dates for first aid, stop the bleeding, AED, fire extinguisher, and CPR training for summer | More details once available. |
| | No updates on aerosol can disposal. | - |
| Adjournment | Have no further business to discuss, the meeting was adjourned at 3:15 pm. | |
