Normal School Bulletin

Published Quarterly by State Normal School

OCTOBER

DECEMBER

MARCH

JUNE

Volume XX.

DECEMBER, 1926.

Number 79.

Entered as second class mail matter, August 17, 1905, at the Post Office, Jacksonville, Alabama, under the Act of July 16, 1904.

STATE BOARD OF EDUCATION

Governor Bibb Graves, ex-officio	Montgomery
Superintendent R. E. Tidwell, ex-officio	Montgomery
Dr. D. T. McCall	Mobile
Hon. Jack Thorington	Montgomery
Hon. William L. Lee	Dothan
Hon. A. L. Tyler	Anniston
Hon. R. H. Powell	Tuskegee
Mrs. Mary P. Jeffries	Birmingham
Hon. Cav. Erwin	Greensboro
Hon. J. C. Inzer	Gadsden
Hon. A. H. Carmichael	Tuscumbia
Hon. L. B. Musgrove	Jasper

NEW DORMITORY

The new dormitory is nearing completion. This will be the best building on the campus. It is three-story, brick structure, fire-proof as far as it is possible to make a building. It has seventy-six bed rooms, eight bath rooms, hot and cold running water in each room, a basement containing lockers and hot and cold showers, apartments with private bath on the first floor for teachers and their wives, reception room and two-story porch. Equipment is now being purchased and dedication of the building will be planned for the future. It is of the same length exactly as the girls' dormitory and of the same architectural construction. It has electric lights and steam heat.

HEATING PLANT

A new central heating plant for the school has been constructed which furnishes heat for all buildings on the campus. This plant is of brick and concrete construction with fuel room which will hold five cars of coal. Provision is made for two boilers, only one being installed at this time.

NEW LAW WITH REFERENCE TO CERTIFICATION OF TEACHERS

The law with reference to certification of teachers will be changed June 1 next according to the announcement of the State Superintendent of Education given herewith. The present law provides that a high school graduate who attends three months and passes 18 hours of prescribed work may secure a second class certificate; if he attends six months and passes 36 hours he may secure a first; if he attends three terms and passes 54 hours he may secure a class B. This part of the law is changed after June 1. A high school graduate will have to attend nine months to secure any kind of certificate but will be given a class B at the end of that time just as the present law provides, but the pre-normal certificates, second and first, will not be issued to high school graduates but just as they are now, to those who are not graduates of high school. If such person has finished four years of high school work he can enter our first year pre-normal and upon completion of nine months receive a second class certificate. If he has had five years of high school he can take our second year pre-normal and at the end of the year receive a first class certificate, and if he has completed all the required high school work will be given a high school diploma with his certificate.

Any high school graduate who has begun the course and has secured a second class certificate by June 1 next may continue his course here three more months, giving him a first class and so on just as under the present law. In other words, those who have started under the present law according to the State Superintendent of Education will be permitted to finish under that law.

Expressed in the Superintendent's own words the changes are set forth below:

- I. A second class pre-normal certificate will not be issued hereafter to a recent graduate of an accredited high school upon the completion of one quarter of credit in a normal school or a college. A certificate of this class may be issued only to a person who has completed the first year of the pre-normal work offered in the class A normal schools of Alabama.
- II. The holder of a second class pre-normal certificate may extend this or raise it to the rank of a first class pre-normal one upon the completion of an additional quarter of credit preferably in the same institution in which previous courses have been taken. Work required for the extension of a second class pre-normal certificate or the issuance of a first class one will be the same as that which was prescribed for all Alabama schools last summer.
- III. Every graduate of a high school in the year 1927 and thereafter who wishes to prepare for teaching through study in a teacher training institution must complete one year in a normal

school or three years in a college before he will be eligible for any kind of certificate. It is important that a high school graduate who aspires to teach in the elementary and junior high school grades be advised to take courses in a normal school while the ones who expect to prepare for teaching in the junior and senior high schools of the State should be informed that courses for his preparation are offered in the colleges.

NEWS OF TEACHERS

Miss Emma Stith resigned to pursue her studies at Peabody College. She has been engaged for the spring term and will return for this term with all her work completed for a Master's Degree but she plans to continue her studies at Peabody during the summer towards her Doctorate.

Mr. E. J. Landers, Principal of the Junior High School, is now in attendance at Columbia University where he has been all fall and winter and it is expected that he will return with the work completed for his Master's Degree.

Mr. B. W. Frazier has returned to resume his position as Principal of the Training School and head of the Department of Education after having spent a year at Columbia working toward a Doctor's Degree, this being his second year of such study and his work all being complete with the exception of his dissertation.

Miss Fannie Dyer returns to her work as Director of Occupational Work for Girls in the Junior High School after twelve months' study at Peabody, during which time she received her Bachelor's Degree and took considerable work towards her Master's.

Mr. C. R. Wood has returned from twelve months spent at Peabody, working on his Doctor's Degree.

Mrs. C. R. Wood spent the same time at Peabody in preparation for her work as librarian.

Mr. R. J. Ringer returns to the Department of Mathematics after having spent twelve months at Peabody and he will return for three months additional during this session.

Miss Mary Huger resumes her work as Primary Supervisor after a year spent at Columbia during which time she was awarded a Bachelor's Degree and a diploma in Supervision.

Mr. M. L. Samuels, after six months additional study at Peabody, returned with his Bachelor's Degree to his position as director of Occupational Work for Boys in the Junior High School.

Miss Ethel Mitchell resumes her place as Supervisor of Intermediate Grades after taking a course of twelve weeks at Peabody College.

Miss Lucille Turner resigned to continue her work at Peabody and assumed the duties of a position in North Carolina.

Mr. Al Clemens, a graduate of the University of Alabama, who

played under Coach Wade for one season and who has taught two years and directed athletics at Huntsville College, was selected to fill a similar position here. He teaches English and Physical Education.

Miss Elsie Jobe went to Peabody for six weeks in the fall for the completion of her Master's Degree.
