

Edwardsville Ala

June 24 1872.

Col J. H. Caldwell

Dear Sir: Enclosed I send
copy of proceedings of convention of Leburne Co.,
please hand them to Ed. "Republican" and
request their publication -

It is requested by several of
your friends of this county that you agree
to submit your name before the Convention
for nomination - for Congress of this district,
you will receive the support of the party of
this county - I have consulted with
many and every one will cordially support
you - I believe you are the choice of
Leburne, Co.

Hoping that you will not commit
yourself - and allow us to use your
name for that position -

I remain yours truly
J. J. Burton
