## THE SPRING QUARTER

The spring quarter begins March 14, and one can make the full quarter's work by entering not over two weeks later, March 24. The last half of the spring quarter begins April 14. If one is teaching or for other reasons can not enter for the full spring quarter a new quarter is provided known as:

## THE FIFTH QUARTER

This quarter begins April 14, runs twelve full weeks and is subject to the same rules and regulations as any other part of the year. Only one fee of \$20.00 is required for this quarter. By entering at that time one can get in 4½ full months, or one-half year's work by the close of summer school.

## SUMMER SCHOOL

Registration for summer school begins Tuesday, May 27. The second term of the summer school begins July 7.

## COURSES OFFERED IN SUMMER QUARTER

1. The regular two-year course, including course III.
2. The third and fourth years of the new four-year course.
3. Courses for extension and renewal of certificates.
4. Courses in pre-normal work for mature students.
5. Courses for removal of conditions and for making additional credits for students of high schools, normal schools and colleges.

## EXPENSES

Board in the dormitories for the quarter, \$60.00; fee, \$20.00; total for the quarter, \$80.00. Those entering for the last half of the summer quarter pay a fee of \$15.00.

## FACULTY

The faculty for the summer school is the regular faculty of fifty members as it is not thought additional teachers will be needed.

## DORMITORIES

The reservation fee for a room in the dormitory for men or women is \$1.00. These accommodations are limited and the fee should be sent promptly as soon as decision to attend has been reached. The over-flow students are accommodated in the homes of the town.

## WHAT TO BRING

Cover, room linen, pillow, drinking glass and teaspoon.

## REDUCED RAI ROAD RATES

Most of the railroads are giving reduced rates for round trip. Apply to your agent when buying ticket to Jacksonville. However, you should write to us for an identification certificate.

## CERTIFICATES

All certificates may be renewed or extended by an attendance here in the spring or summer. The same rules and regulations prevail as for 1929.

## CONFERENCE OF SUPERINTENDENTS AND SUPERVISORS

A conference of superintendents and supervisors of this teachers college district will be held during the summer, the date to be announced later. This will be conducted by a representative from the State Department of Education.

## COURSES OF STUDY

The same general courses are offered for the summer school as for last year as far as they go. They are set forth in the catalog for 1929-30, copies of which are available. The new catalog to be issued April 15, will contain the new curriculums for the two-year and the four-year courses leading to the Bachelor's Degree. It will also contain full information as to entrance and graduation requirements.

## HIGH SCHOOL STUDENTS

A limited number of high school students who desire to make up subjects or to make additional subjects are permitted to do so in the high school department within the limit set for high schools by the State Department of Education.

## ATHLETICS AND RECREATION

Students have the opportunity of playing tennis, volleyball, baseball and other games during the spring and summer. The swimming pool will be opened as soon as weather conditions permit. Picnics and outings by clubs and special groups under proper supervision are a feature of the recreation of the summer school students.
