

Springville Cle
Aug. 30th 1878

My dear Son,

Your letter
was forwarded to me
to this place and was
sent out last night.

Mamma & I drove
in this morning from
the "Springs" I have
only time before the
mail closes to acknowl-
edge the receipt of
your letter and en-
close you five dollars
for pocket change.

I am improving - Mamma
is well & pleased with
her visit - we will
see you at length soon.

Glad you have seen
taken the junior and

hope you let nothing
prevent your success
Affectionately
Yr father
