The Drama Department wishes to express its profound thanks to all the above patrons who so graciously gave of their resources to expand the theatre program at JSU. Without the assistance of our subscribers and donors there would have been fewer scholarships given and equipment could not have been repaired or replaced this year.

ATTENTION SEASON SUBSCRIBERS

Regarding those postcards you received this month, they are purely reminders that we have a show coming up. You will receive a card prior to each production. For those who are confused, you are Option A if you already have your seating passes (an actual ticket with day, row, and seat number) for each performance, so it is not necessary that you call for seating; you are Option B if it is necessary for you to call to make arrangements for seating each show—please be sure to call at least a week in advance for better seating.

The faculty, staff, and students of the Drama Department extend their deepest sympathies to the family of Craig Weyhmueller who passed away October 15, 1996.

The faculty, staff, and students of the Drama Department also wish to extend their best wishes for a speedy recovery to Nick Romano who was injured in an automobile accident on October 15, 1996.

A FUNNY THING HAPPENED ON THE WAY TO THE FORUM

November 25-27

SPECIAL PERFORMANCE

SATURDAY, DECEMBER 14TH - ONE NIGHT ONLY - 7:30 P.M.

The drama department of Lee High School, an arts magnet school in Huntsville, will perform Eugene Ionesco's absurd play, **THE CHAIRS**, on the Stone Center Stage. This excellent production is entered in state competition having won the regional competition and hopes to continue to Miami for further competition. The forty member cast is superbly costumed for an unusual reception in which an old man attempts to leave a philosophical message for mankind only to have it get comically bungled in repetition and technology. Tickets for this one-hour performance are \$2.00 and will be sold by reservation while tickets last. Call 782-5648
