Dear John: -

In view of the fact that National Convention will meet in St Louis, I would like to be a delegate from our District. If it will not interfere with your "state" please do what you can for me among your members - delegates from Counties comprising your District. I would like to visit St Louis once more under the folds of the old Democratic banner. Let me know your views. Ma is quite sick, with this exception all well send love. Nothing from claims yet!

Yours truly
 J. D. Brandon
