

Springville Sept 11th 1876

Col J. H. Caldwell

Dear Sir

Owing to the failure of Beough Kenney & Co
and the Insolvency of John Collins Estate
I am in need of some money

W. H. Swan has the Note I hold on you
and I shall regard it as a favor at this
Particular time for you to pay it

I See Congres Paper a bill to confirm Preemption
and Homestead Entry in the Limits of Rail Road
grants also in Relation to the five States that
have been precluded from taking up Land
except by Homestead,

also to amend an Act of the 28th Dec 1874

Relative to Settlers on Public Lands do you
Remember the provisions of those bills I would
like to know what they are

Yours Most Respectfully

Jerry Forman
