

Huntsville Ala Sept 14<sup>th</sup> 1876

Hon. John A. Caldwell

Gadsden Ala.

My dear Sir

If Mr Tilden has the good luck to be elected in November, President, I will be an applicant for the position of Post Master, at this place, and believing that you have both influence, and friends in Washington, I ask you as an old friend of my father and myself if you will assist me. Mr Garth who will be our representative the next term in Congress, has promised me his influence and to do all he could for me. You may be in Washington on the 4<sup>th</sup> of next March, when the President is inaugurated and then you can do me good. Please let me hear from you at your earliest convenience. Mr Geo. H. White wishes to be kindly remembered to you.

Your friend

W. H. Douglass

Learn John; do anything you can for my friend Carney. I know you will. He is as you know a gentleman and a scholar.

Yours truly  
W. H. Douglass
