

Scottsboro Ala  
Sept 26<sup>th</sup> 1876.

Now John W. Caldwell

Dear Sir -

I wish you would

advise me - if there is at present a vacancy  
in the Cadetship at the Military Academy at  
W. Point -

My reason for asking is - that I  
understood you and Genl. Torney to go speak  
at Guntersville -

Mr. Walter Sketton a  
son of James T. Sketton. desires much  
to try his fortune - in this particular and  
if found qualified to enter that place  
at the earliest time he may.

Most Respectfully  
W. N. Robinson

for in 10 days, return to
