Hon Jno H Caldwell

Dear Sir:

If I am not mistaken when I saw  
you last fall something was said about a  
payment having been made by some one  
on Wm Matthews Iron & Stone. probably to  
some Agents. That the Co refused to satisfy  
the claim is now presented. Will you  
kindly furnish me with such informa-  
tion as you have in regard to the matter

Very truly

T J Burton

P. S. Grants prospect here is very flattering  
so far as we can ascertain now -  
I am confident he will get at least a  
majority of the delegates from this County
