Permission to scan and redistribute. I grant Jacksonville State University the nonexclusive right to create a digital version of the above-named publication (the "Dissertation/Thesis") and to make my Dissertation/Thesis available as part of the University Library's digital collection. I understand that the digital version will be added to the Library's collection without restriction and the full text of my Dissertation/Thesis will be made available to the public in digital form without restriction to access as part of that collection, and I give my permission for the University Library to reproduce, distribute, display, and transmit my Dissertation/Thesis in order to make it available online.

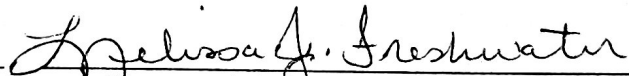

Non-exclusive and perpetual license. I understand that this permission constitutes a non-exclusive, perpetual, royalty-free license, and that I retain all other rights to the copyright in my Dissertation/Thesis, including the right to use it in other works such as articles and books.

Authority to grant license. I represent and warrant that I am the sole author and owner of the copyright in my Dissertation/Thesis, and that I have full and sole authority to grant this permission. I also represent that this Thesis does not, to the best of my knowledge, infringe or violate any rights of others. I have obtained any third-party rights, if necessary.
