Dear Miss Josie: -

I have been trying to find time to write you that the Board wanted you to know how very much they appreciate your fine work in our schools. We are sorry to give you up but want to wish you abundant success and happiness in life. I want personally to thank you for the help you have been to me and the schools. It has been a genuine pleasure to me to have you for so long associated with me in the schools.

Very cordially,

W.E. Striplin
