

My Dear Little Man

Some sweet boy sent Mama Caldwell a beautiful Valentine and it came from over in Gadsden and the writing looked like some of your pretty little words. Mama Caldwell sent you one the day before, and she was in hopes you would send her one and what do you think? There was one in her mail from the dearest little man in all this big world. Sent to Mama way over in Jacksonville. Aunt Kate, & Avery wanted it, but they couldn't get it, it was too sweet & pretty to give away. When are you coming home? Tell Daddy he is so good to let you and Mama come away from him, that we just hate to ask him, but we are getting

mighty anxious to see you. Aunt Kate left this morning for Mobile and when she comes back, she will stop by to see you all. You must write to us all as often as you can for your little writing tells us all the news. Mama has been so busy getting Aunt Kate off, but now she will have more time and she is going to make you some candy and send to you now won't that be fine? Give Mama & grandma Lay and daddy our love and you write again. Don't wear your little Indian suit near the fire as Mama read about a little boy in Anniston getting burned standing near the fire in the yard where some leaves were burning; the fringe caught & burned the little boy to death. So you must be very careful. A sweet kiss and goodbye to our little boy.

Devotedly  
Mama
