Labored faithfully for eight or ten years. After him came the beloved and lamented J.M. McLean Who broke to us the bread of life for twenty-two years. Our present pastor Rev J.H. Patton was installed pastor in 1890.

It will be fun that this church has been in existence fifty sum years and has had ten ministers. All have been faithful workers in the Master's vineyard and all have gone to their reward, with the exception of W.A. Harrison of Knoxville Tenn., and our present pastor. When the Lord of the vineyard shall return may each one come forth "rejoicing bringing his sheaves with him."
